## ARTIST

---

Born in 1971 in Lithuania.  
1997 I graduated from the Vilnius Academy of Arts,  
awarded Master of Arts degree,  
MAGISTER ARTIUM.  
2000 - Lithuanian Artists' Association.  
2005 given the art creator status.

The painter (Lithuanian Artists' Union) who for many years lived and worked in France. After conducting a number of solo exhibitions and participating in international exhibitions and art festivals, exhibits his paintings in Lithuania and abroad, in countries France, Germany, Spain, Luxembourg , Italy, Switzerland.

In recent years, living and creating in Lithuania. The artist creates his works with acrylic paint on canvas.

Although the theme of the works is quite wide and and the paintings are enough abstract, but you can see and realistic details, including the human silhouette. Calm colors and contrasts, movement and tranquility...all of which express the human way, his thoughts, feelings and contradictions.
