Further information

About me

As a designer, Ekaterina Mungalova was able to try her hand at different projects: interiors, design stands, exhibition spaces, jewelry design, and advertising. She worked in an architect's office, various publishing houses, advertising agencies, carried out own projects and participate in design competitions.

Portfolio www.behance.net/moong

Some own projects <https://ekaterinamoong.wordpress.com>

Working with different customers she has learned to be flexible, to listen the wishes and requests, but at the same time offer our clients own vision, especially from the standpoint of common sense, the composition and taste.

She is the founder and chief-editor of the online magazine about design, art and lifestyle. <http://lafrimeuse.com>. She has interest in the cultures of other countries, art and foreign languages.
