### Creating As The Way Of Living

"You've got to search for the hero inside yourself.  
Search for the secrets you hide.  
Search for the hero inside yourself.  
Until you find the key to your life."

Behind Elliott's Art there is a versatile and highly creative artist. **Gordana Elliott**, was born 22nd of January 1963 in Jakovo, Srem, Serbia.

She is a Serbian and Swiss citizen. A former teacher, speech therapist, art historian and a banker, lives and works in Zollikon (Switzerland) where she has a private Art School for students of all ages.

Gordana Elliott became a full-time professional artist in 2007 and has come a long way, she has a rich portfolio which focuses on painting oil on canvas, professional painting of Orthodox Icons, handmade jewellery and hand-painted silk scarves.

Her artwork has been shown in many major exhibitions internationally.

"Starting from her deeply emotional and, at times, over impulsive nature, she creates with her live gestures, whether short or restrained, or even violent and energetic, her pictorial weavings of saturated coloristic harmonies that pulsate to the beat of her feelings and her temperament, mostly towards the associative spirit of abstraction. She has presented herself as powerful and convincing, which are exemplified in her masterpieces."

Nikola Kusovac, Art Critic (Serbia)

"Mrs Elliott's paintings are charged by emotional impulse strength, by her intuitive sense of freedom, demonstrating her intense and untamed assembly of brave, adroit and imaginative approach to the use of her colors and palette knife strokes on her canvases. Her way of creating her works has impressed me deeply and I have to admire her art."

Prabhakara Jimmy Quek, Painter (Singapore)
