

I was born in China in 1965. I came to Canada in 1998 after spent two years at the university in Australia.

I loved drawing and painting at very young age. With the special passion for horses, I naturally started to paint this beautiful creature and became an equine artist. The speed and the grace of horses always give me a lot of fantasy. Beside the horses, I paint wild life, landscape, still life and portrait as well.

I paint in oil on canvas for most of time in the style of realism. I also work on commission.
